Introduction to Bioinformatics using NGS data

SciLifeLab, NBIS and NGI

# Teachers on this workshop are from NBIS and NGI

Workshop organizers

Roy Francis

Malin Larsson

Martin Dahlö

Practical information

- Zoom: https://uu-se.zoom.us/j/68573661988

- Lunch ~12:00 every day

- Coffee breaks in the morning and afternoon (exact times decided per day)

- Times in schedule may be adjusted slightly depending on breaks. Start time in the morning and after lunch is "fixed".

- Lectures in the main zoom room

- Labs in breakout rooms

- Please have cameras on

Labs

- Instructions available in Canvas:
  - https://nbisweden.github.io/workshop-ngsintro/2503/
  - All material linked from Schedule
- Work in breakout rooms
- Four persons in each room
- Help each other in the room because it improves the learning.

Labs

- Breakout rooms will be announced in slack

- Start off with short introductions in room (<3 min each)

- Ask TAs when you have problems!

- Use slack channel **ngsintro_students** to ask for help:
  "Help needed in room 4"
  https://app.slack.com/client/T02N0SD19/C01ECL65JJ0

Attendence and certificate

Those that attend the full workshop* will get a certificate.

- Attendence at all lectures and labs

- Labs done to the basic level

- Let us know if you need to miss a session

The certificate will not state number of credits. It will say that this was a full weeks workshop and what topics were covered.

We will mark your attendance during the workshop

Questions?

Please ask questions and take part in discussions trough out the workshop!
